ADDRESS OF THE PRINCIPAL

Honourable Mr. Muhammad Azam Khan, Provincial Minister of Finance, Planning and Development, distinguished guests, dear teachers and students,

As I welcome you all to our 12th Annual Athletics Sports Meet, I express my thanks to God Almighty who has always been there, behind the success of this event for twelve consecutive years. This annual function not only provides us an opportunity to reward the winners of different sports and athletic events, but also brings us together to cherish the progress of your children and this Institution. And no doubt, it also gives us a chance to be with our good old friends, which is, otherwise, a rare possibility.

One of such good friends whom I treasure is Mr. Muhammad Azam Khan. This is not just because he is a top brass official but because of what he is, as a person. And it's not only I who treasure him, but the government also does so, the proof of which lies in the fact, that they are not letting him retire. Even after 37 years of service, Mr. Azam Khan is much in demand and at present he is running the most important ministries of finance and P & D. He is a Bar-at-Law from Lincoln's Inn, the same law institute from where the Quaid-e-Azam got his law degree. Since his induction in DMG, Azam Khan has been following the footsteps of Quaid-e-Azam, working earnestly, honestly and zealously day and night. That is why, he had been appointed at every key post in the province like Deputy Commissioner, Secretary Education, Industries, Petroleum, and finally the Chief Secretary. He has also been the Advisor

for UNDP projects and Chairman of Rural Support Programmes, Pushto Literary Board and Director of Shell Pakistan. Such multi-dimensional and highly committed bureaucrats are very rare and we hope and pray that he continues working and inspiring.

Dear parents, God Almighty sends a child in this world absolutely innocent and immaculate. He is born pure and chaste with all the Godly virtues blended in his essence. As he grows up in the world, he comes across all kinds of transgressions and evils. Thus a war, or a competition starts between virtue and vice. This is the time when a child needs a reinforcement of his born virtues. The whole society in general, and the parents and teachers in particular, are responsible for the fortification of his virtuous character and for guiding him on the path of righteousness. On the academic side, the books teach a child the lessons of integrity, but the practical lesson is taught in the playground. You might be trying to figure out the relationship between virtue and games. No doubt, it would be a novel idea for you. Let me explain.

Ladies and gentlemen, sports are a source of recreation and enjoyment, a means of physical development; no doubt about it. But they have another dimension too; an intrinsic value. Sports and athletics are a mode of character building as well. First of all, sports develop a sense of competition in children, so that in their practical lives, they can fight the evil and make virtue win over vice. Games teach them that they have to persevere till the last minute or the last ball of the match without losing heart. During a match, they **work hard**, putting in their best efforts, with a **hope** of success. They strive **honestly** and **sincerely**. They have **faith** in themselves and also in us, that we will do full **justice** to their efforts, so

Hard work, honesty, sincerity, hope, faith, justice, love and peace are just a few of those countless virtues that are developed and reinforced in the class and on the playground at St. Francis' High School. We strongly believe that no matter how dark the evil is, a ray of virtue can brighten it. The evil may win a few rounds of the game of life, but in the final round, the good always wins. After a short while, you'll see a colourful depiction of the virtues that I just talked about. We have used the little children to demonstrate these virtues, to remind you that character building must start at the early age. The colours of this parade indicate that virtues and righteousness can add a lot many colours to this otherwise dull and dark world of ours.

Towards the end, I must tender my gratitude to Mr. Muhammad Azam Khan for his presence here. I must appreciate the efforts of all my students and the faculty members who worked hard as a team to make this function a success. I am glad to see a large number of parents attending this function today. This shows your concern for your children and your interest in their progress.

Dear parents, I am sure that just like us, you also believe in the triumph of good over evil. We must strive collectively to foster and strengthen these virtues in our children. Our children are our hope for a better tomorrow. As a nation, we are facing the darkest period of our history, but the dawn of a new era is not very far.

God bless you all.

Francis Sales Fernando.

THE JOY OF VICTORY

When I joined St. Francis' High School in Class 7, I had no idea that I had the potential to be a good athlete. My parents got me admitted in St. Francis' chiefly because of its academic excellence. Little I know that there were many more opportunities waiting for me here. Right in the first year of my induction in St. Francis' the lush green ground, courts and the track attracted me. I won the 100m, 200m and shot putt titles in my age group. I also ran relay races and helped my house earn points to get the championship trophy. I played basketball, netball and badminton. I was also good at chess and was appointed the captain of chess team.

Standing at the starting line, waiting for the whistle, heartbeat increasing, adrenaline pumping, passion rising--these are things that only an athlete can feel and understand. The joy of crossing the finishing line first is something that cannot be explained. It can only be felt. Moments of victory are the golden moments of life that one can never forget. Amidst the applause, a winner athlete holds the trophy. This moment of joy is simple amazing.

I would never be able to thank St. Francis' enough for making me feel the joy of victory. I am sure that if had been in any other school, I would not have been able to cherish this feeling in my life. It was just here that I explored my hidden talent and put them into action. Not only that I relished the feeling of pride and happiness in victory, but I also learnt a lot more. I learnt to persevere, to strive, to work as a team and to bring discipline in my life. These traits will be of a great value in my life.

I am no more at St. Francis' now. I have new horizons to explore, new challenges to meet. I may be fortunate enough to find such dedicated teachers and a conducive learning environment as in St. Francis', but I know that I'll never be able to participate in such sports and athletics.

Sometimes, when life offers a challenge; when I have to compete with the best; when the going gets tough; I recollect the memories of running the sprints at St. Francis'. My heartbeat increases, adrenaline pumps, passion rises, and I start off to cherish another victory.

(Hijab Habib matriculated from St. Francis' High School in 2006-2007. She held various titles in athletics, including the Best Athlete. At present, she is a student of First Year at Amina Degree College)

Welcome to the world where everything is at
your child's level, with lots of room to grow.

We have all the reasons to
learn in early season

We offer Pre-Nursery, Nursery and Kindergarten classes with safe
rounding in which children can learn and enjoy themselves. We encourage
children's curiosity, self direction and persistence. We help them in developing
language and socially accepted ways of expressing feelings. It's an
opportunity to learn programs that would help children get ready for school.
Kindergarten and pre schools are the first stages in a continuing education
process. Our programs are planned for young children to adjust to a wider and
more challenging environment than provided by a family group. What seems to
be just toys and only playing is in fact the creation of the foundations of the
program.

We are open from Monday-Friday (8:15 a.m. 1:00 p.m. School Hours)

We can speak to you on **091-5846412** during mentioned
times and days. You can see us at
35-E Syed Jamal-ud-Din Afghani Road,
