sportsmanship and sense of fair play with him. These efforts for enhancing the sports facilities in Hayatabad. On the humanitarian side he played a pivotal role in life and today we see him as a successful technocrat who organized relief activities during the catastrophic floods last year. He is running a huge organization effectively. Basically he has also the driving force behind allotment of 200 kanals of masters degree in business administration, but his dedication for the Shaukat Khanum Cancer Hospital. I am proud of proficiency lies in the experience he gained working in professional and compassionate students of mine and at various key posts like director finance in PDA for many years. He has also attended courses on Micro-economics and training the youth of this region.

Management and Urban Water and Sanitation in China. Dear parents, the youth of this region are in dire need of South Africa. Since 2008, he has been serving as the Director of Sports facilities. The young boys and girls need to develop General PDA and he has the financial and executive competence in sportsmanship and the spirit of fair play. Thus there is a need of the authority. Since his appointment as the DG, he has provided sports facilities right from the grass root level. This initiative has initiated various mega projects like Gul Bahar Flyover, which is what we have been trying here since the beginning. We have also initiated Mehmoor Flyover, Reconstruction of Ring Road, which is of equal importance to academics and sports and provide wide opportunities for all the boys and girls to compete in more of roads in Hayatabad and construction of new roundabouts. He is also handling the critical Regi Project successfully. In ten sports and athletic events. We still feel the need of the important features of Regi Lalma project is the need for further improvement and we desire to upgrade our present construction Cricket Ground, which I believe was a long track of 200 metres to 300 metres. We are already in the process of acquiring extra land for this purpose. Those of us who attended the Sports Meet last year would remember needed in Peshawar. This indicates that he understands the importance of sports for our youth. We expect that he will

that Syed Aqil Shah, Provincial Minister of Sports promised to help us in this regard. We are grateful to him that he honoured his promise and initiated the process. Now we expect Qazi Laique to take it in his hands and play his part. I am sure he will do his best so that our students can have an upgraded track and run mini-marathons.

Towards the end, I wish to thank you all for being with us today. It means a lot to us, and a lot more to the children who feel elated and thrilled when they win trophies and see their parents clapping. I am especially grateful to Qazi Laique Ahmad, DG PDA, who managed to take time out and honour us with his presence. The students and teachers also deserve my gratitude as they worked hard as a team to make this event a success. I congratulate those who have won different events and set new records. Those who could not win need to know that difference between winning and losing is just the difference in how you think. Let me tell you what it is!

Loser says, "It may be possible, but it is difficult."

Winner says, "It may be difficult, but it is possible."
