

ADDRESS OF THE PRINCIPAL

Mr. Faisal Jamil Shah, Director Sports, Culture and Youth Affairs, FATA, distinguished guests, honourable parents, my dear students and teachers, I welcome you all to 17th Annual Athletics Sports Meet. The year 2013 is very special milestone for St. Francis' High School. This year, we have completed 20 years of our successful existence. Over the last two decades, St. Francis' High School has become synonymous with all-round discipline, unfaltering integrity, excellent academics and all-inclusive sports facilities. Today, when I look back and contemplate over the last 20 years of St. Francis', it gives me a feeling of satisfaction at heart and peace of mind. Peace, which one acquires when a job is done well, when a mission is accomplished. Peace, which is not only needed for the inner harmony, but is also vital for the progress and survival of our society-something that is seriously lacking these days. All of us are living in an age of chaos, uncertainty and disarray. All of us are victims of discord, conflicts and frustration. All of us need to play a role to bring back the golden era of love and reconciliation. And blessed are those who are playing their role for this noble cause in their own capacity.

Ladies and gentlemen, the seven agencies of Federally Administered Tribal Areas are the hardest hit victims of conflicts, feuds, militancy and terrorism. How difficult a task would it be to promote peace, harmony and accord in such a territory! But we have a gentleman here, who is doing it, using the powerful and effective medium of sports. Mr. Faisal Jamil Shah, Director Sports, Culture and Youth Affairs, FATA, is a dedicated professional who has introduced sports as medium for establishing peace and culture as medium of expression to curb terrorism in FATA. He is the one who established the Directorate of Sports, Culture & Youth Affairs for the FATA youth, initiated FATA sports council and established 14 sports complexes all over FATA region. He is working on establishing a youth parliament for the youth of agencies. He has also started scouting activities to engage the FATA youth in healthy and compassionate activities. His most admirable task, in my opinion, is starting sports, scouting & youth activities in FATA for females. This is in concurrence with my own frame of mind, that we should provide equal opportunities of sports, athletics and healthy recreation to girls. In a short while, you will witness it yourself. Our girl students will run races and relays, display gymnastics and march past the saluting dais carrying the flags.

Dear parents, sports and athletics are vitally important for physical and mental health of your sons and daughters. Whenever I get an opportunity to talk to you, I always stress on you to spend more time with your children and get involved with them in healthy activities. In the fast changing times, young boys and girls have turned away from competitive sports and they become deeply involved in computer games and social networks like facebook, twitter and many others of the like. Such networks have turned out to be potentially evil means of ruining the characters of our youth. They are destroying the mental and physical health of our children. Most of the children take refuge in such activities, because their parents do not have time to engage them in a healthy alternative. During the last few months, we have dealt with many such cases, where our students were involved in immodest activities, taking advantage of the privacy they had at home and of the uncontrolled facilities provided by their parents. We have successfully curbed some "gangs" which were active on social media, while their parents were totally unaware of what had been going on. Thanks to God Almighty, the "gangs" were just a few, while the "teams" of our young athletes and sportsmen are a lot many more in number. The parents must be vigilant to note whether their child has joined a "gang" or is a part

of a "team". I must take this opportunity to inform you all that any such pages on social networks which bear the name of St. Francis' are fake. We have no official page on any network, neither do we feel the need of creating one. We always keep you updated through our circulars, and at the moment, we do not see the need of being on the web.

I wish to express my gratitude for all those who are here today to see our young athletes in action. Your presence is a source of encouragement for all of us. I am especially thankful to Mr. Faisal Jamil Shah, who kept our invitation on priority above many other commitments. I also thank the students and teachers, who made untiring efforts to turn this day into yet another successful function.

In the end, a thought for all the parents and children:

**A team is where one can prove ones guts.
A gang is where a coward goes to hide.**

**St. Francis' High School, Peshawar.
