| | National Anthem. |

ADDRESS OF THE PRINCIPAL

Mian Adil Iqbal, Director General Sports & Youth Affairs, Khyber Pakhtunkhwa, honourable guests and parents, respected faculty members and my dear students, I extend a very warm welcome to all of you on the occasion of our 18th Annual Athletics Sports Meet. Most of you are already aware of the rationale behind holding this event on annual basis. Let me give a brief introduction of this event to those who have brought their children to St. Francis' recently. This will also help me update all of you on most recent developments in St. Francis' regarding sports and athletics.

Dear parents, we strongly believe that sports and athletics are essential for physical, mental and spiritual development of children. Therefore, we provide our children the opportunities and environment for taking part in individual and team competitions in a large number of sports and athletic events. The students are divided into four sporting houses, blue, green, yellow, and the most recently introduced orange house. They compete in various fields according to their natural abilities and flairs. All their achievements and records are chronicled as points to their house. Thus they learn that their individual efforts have a shared worth. We do not take their endeavours as mere child's play. All the

record of their participation and achievements is documented in a brochure which serves as an archive of sports activities and accomplishments of our children year after year. This sports meet is the pinnacle of our sports and athletic events. Today we award trophies to champion athletes and winning houses in different sports. Towards the end, when the champions are announced, you will see the excitement and emotions rising sky high. For a sportsman, there is nothing more worthwhile than his fellow team-mates and a crowd of spectators applauding his success. This is what encourages and motivates us to invest millions of rupees each year in sports and athletics. We can rightfully claim that no other private school in the region offers such a diverse variety of sporting events as we do. Neither do we know of any such institution at secondary level which would invest millions just to enhance the sports facilities. I wish to apprise you that we have acquired extra land, worth twenty three million rupees, adjacent to our ground. We spent a colossal amount of money and fought a nerve-wrenching legal battle to get this land, with the sole purpose of upgrading our athletic track.

However, some parents with stereotypical mindset do not endorse our efforts in this regard. They hold the view that sports and athletics are mere waste of time. They fail to realize the importance of sports in shaping the character of their children. Instead, they want us to make their children book worms. I would request all such parents to broaden their horizons and understand the fact that life is full of challenges. To meet the challenges of life, one needs to be strong physically, mentally and spiritually. These strengths can only be gained on the sports field, where one learns to compete fairly, win honourably and lose gracefully. At St. Francis', we provide such opportunities to our children, which parents cannot provide due to limitations of time, resources and facilities. It is very unfortunate that in today's world, the children's idea of competition is narrowed down to their video screen and computer games. They need to be told that it's a wide, wild world out there and they need to be true sportsmen, with genuine sportsman spirit to win over the world.

Ladies and gentlemen, our chief guest, Mian Adil Iqbal will further shed light on this issue when he speaks to you after a while. He is currently serving as DG Sports and Youth Affairs, KPK. With a sound background of serving on different key posts as a DMG

officer, he has taken over the directorate of sports recently. It is quite a challenge to manage sports affairs in our province which has seen the worst situation of terrorism and law order over the last two decades. However, he has started working in the right direction by rehabilitation and improvement of sports facilities at tehsil and union council level. He has set up new playgrounds and provided sports equipment down to the union council level. I believe that fortifying the infrastructure of sports at grass root level will bring about marvellous results in times to come. We can hope to see our stadiums resounding once again with cheers and our players shining as stars in the international competitions. I appreciate your vision and your efforts, Mian Adil Iqbal, and I pray for the success of your endeavours and realization of dreams. I am really indebted to you for honouring us with your presence today.

I am also grateful to all of you, dear parents, to be with us today. I must also express my gratitude to the members of faculty who assisted in different ways to make this function successful. In the end, I wish to congratulate all the young players and athletes on their achievements, giving a quote to remember:

Losers say, "It may be possible, but it is difficult." Winners say, "It may be difficult, but it is possible."

St. Francis' High School, Peshawar.
