

24TH ANNUAL ACADEMICS DAY

ADDRESS OF THE PRINCIPAL

Mr. Tariq Aziz Khan, Area Manager, Habib Bank Limited, honourable parents & guests, worthy members of the teaching faculty and my dear students. It is after a long time that we have gathered here to celebrate the academic achievements of our students. It is our 24th Academics Day, an event all the parents and students eagerly look forward to. For certain reasons, which we all know, we could not hold this prestigious event for three consecutive years. During this time, a large number of new students joined St. Francis' High School. Therefore, I feel the need of giving you a brief insight about this event.

We hold curricular, co-curricular and extra-curricular activities round the year. These include examinations, different competitions, sports & athletics. On the Academics Day, we honour those students who secure top positions in different subjects taught in class. We do not rank the students on 1st, 2nd, 3rd positions in the exams, because that system celebrates the success of just a few, and brings despair to many. Instead, we give positions in all subjects and in different competitions, so that each and every student may get an opportunity to be "Number 1" in something. For instance, a student who may not be very proficient in academics, can be very good at computer science or drawing, for that matter. So even if he doesn't get "1st" position in the exam,

he gets an opportunity to show his flair in some other domain and come on the stage to get the trophy. So, this is an "all-inclusive" approach which encourages everyone to make an effort. In a short while, you will see a multitude of young scholars, coming up on the stage to receive recognition of their individual talents and efforts.

I am glad to have Mr. Tariq Aziz Khan amongst us as the guest of honour. He is one of my former students, and what makes him special is the fact that he is a St. Marian as well as a Franciscian. He started his academic career as a student of Prep Class in St. Mary's High School and then passed matriculation examination from St. Francis' High School. Later, he held both the flags high and honoured both of his alma maters by putting into practice what he was taught. The result is in front of you--a successful professional, who is a source of pride for the institutions, for me and for his teachers. Some of his teachers are still teaching in St. Francis'. Mr. Tariq Aziz Khan has served at managerial and executive levels in Standard Chartered Bank, Bank Alfalah, Dubai Islamic Bank and HBL. He has several professional certifications under his belt which make him well-suited for the responsibilities expected from him. Tariq, I am sure that in the years to come we will see you shining at the highest echelons of banking sector in Pakistan.

Dear parents, in these times of uncertainty and hopelessness, I can still be sure about the success of my students in their future. Yes, I am positive, without any doubt or uncertainty, that those students who adhere to the discipline and principles of morality they learn in St. Francis' High School will surely be successful in life, no matter how uncertain the future may be. In St. Francis' High School, we believe that God is our light, and when one says with faith that "God is My Light", one can surely find a way amid the darkest and shadiest of times. We train our students to uphold the highest standards of morality in the face of any challenge they meet in their practical life. When they step into the world outside the premises of their alma mater, they are well equipped; not only with

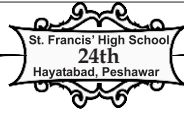

academic skills, but also with God's light they take with them.

My dear students, you are growing up in an age of uncertainty, no doubt about it. However, you can be certainly sure of your success in life if you hold firm to what we teach you in St. Francis' and follow the path of righteousness we lead you on.

I congratulate the parents and teachers of all those students who are going to get certificates and trophies today. Please bear in mind that these prizes are based on the performance during the last academic year. So, the newly admitted students should feel encouraged and make efforts to be among the prize winners next year.

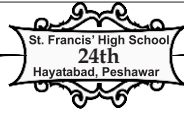

In the end, I wish to express my gratitude to all the guests for taking time out and honouring this function with their presence. Special note of thanks to those teachers and students who have worked really hard to make this event a success. I particularly appreciate Mr. Tariq Aziz Khan, who accepted my invitation and ensured his presence here.

Now, amid these times of distress and darkness, I want you all to remember: "Where there is pitch darkness, there is an opportunity for a light to burn brighter."
