

ADDRESS OF THE PRINCIPAL

Dr. Syed Shahmeer Raza, Asst. Professor and Consultant, Gajju Khan Medical College, respected parents, worthy members of the faculty and my dear students, I welcome you all to our 24th Annual Athletic Sports Meet. I am grateful to God Almighty who has granted me yet another opportunity to speak to you all from this podium. Our last Sports Meet was held in 2019 and then the epidemic brought everything to a standstill. We switched to online mode and reduced the numbers in classes but sports activities came to a complete halt for a prolonged period. The human race, with its instinct for survival fought a long war against Covid-19, and here we are once again, back to normal. We survived the war against a deadly, unseen enemy, because our instinct kept on giving us hope and courage to fight. Each and every one of us is born with this instinct but not all put it to use to rise and shine.

My former student, Dr. Shahmeer Raza is one of such fighters, who accepted the challenges of life and overcame all the hurdles with a stout heart. I have known this young fellow for more than a decade. I remember the days of his boyhood which were tarnished with several problems but he always had a smile on his face. I remember him carrying out his duties diligently as a Chief Prefect and being the top student in SSC Examination 2009. Taking the God's light from St. Francis' with him, he spread this light wherever he went. He has a multifarious approach towards life. This approach made him the General Secretary of the Youth Wing of Pakistan Red Crescent Society, winner of gold medal in KMC Research Fair and a delegate from Pakistan in the United Nations Youth Assembly in New York. Listen attentively students, Dr. Shahmeer has to his name 48 research publications and he has the license to practice medicine in three countries: Pakistan, United Kingdom and Ireland. He is surely an example for you all, and a source of pride and honour for St. Francis' High School.

Present among us are the parents of a large number of new students who joined us over the last three years. These parents would be witnessing our Sports Meet, the climax of our sports and athletic activities, for the first time. I am sure, you will realize today, that you made a very wise decision to bring your children to St. Francis', where we keep a fine balance in academics and sports. We provide opportunities to all students, boys and girls to take part in any or many of the various sports & athletic activities.

Dear parents, earlier, I talked about how we fought and won against Covid-19, but now I am going to shed light on the drastic and far-reaching effects of the epidemic on our society, especially on our children. It all started in March 2020 and we were forced to stay indoors, order food delivery, shop online, study in virtual classrooms and play online games to kill time. Since then, we have come a long way and thankfully, everything is back to normal now, except for our lethargic habits and routines. The epidemic is gone, but it has sickened us with the illnesses of online gaming and indoor recreation. Unfortunately, the parents are happy to see their children glued to their mobile phones and laptops, and not becoming a nuisance for the parents.

But, do you realize, dear parents, how disastrous it is for our young generation?

I really can't understand what has happened to our society. It's very disappointing to see that many parents discourage their children to play sports just because they do not want to buy a track suit for them. They would spend a lot more money to get them latest models of mobile phones, but they would not want to encourage their children to participate in sports and athletics and learn the spirit of sportsmanship. It is a very disappointing attitude, which will cost such parents the mental and physical health of their children. As far as we are concerned, we will definitely go ahead to ensure that sports and athletic activities are carried out in proper kits and track suits. After all, when the tracks and fields are according to international regulations, the coaches are of national level and the games are played strictly by the rules, it is but natural that the players also have to be dressed properly.

It is pertinent to mention the efforts of all the staff members who worked very hard to make this day a success. I particularly want to appreciate the efforts of **Mr. Shayan Sameer Fernando** our **Deputy Principal**, and his team, who are putting in their best efforts to raise the standards of this institution. And last but not the least, I am grateful to God Almighty for **Mrs. Khalida Fernando**, who has always been a dependable companion during this long journey.

Dear students, towards the end of the programme, the best amongst you will receive the fruit of your hard work. I will not congratulate only the winners. Rather I would congratulate each and every young athlete who took part in competitions with full spirit and played by the rules. Winning or losing is just a part of the game, not the whole game itself. What matters the most is the sportsman spirit.

In the end, I want to tell you something which you should never forget:

The five S's of sports training are: stamina, speed, strength, skill, and spirit; but the greatest of these is spirit.
