

ADDRESS OF THE PRINCIPAL

Mr. Shafiq Afridi, CEO, Toyota Khyber Motors, distinguished guests & parents, respected teachers and my dear students, I welcome you all to our 25th Annual Inter-House Athletic Sports Meet. This Sports Meet is special in a way, as it marks the Silver Jubilee of this prestigious event. It's also an achievement for St. Francis', that we managed to keep the spirit of sportsmanship alive. We encourage parents not to give into the temptation of handing over mobile phones to kids to keep them engaged. Rather get them involved in healthy physical activities. We have seen too many a time children fall prey to the evils of present-day social media. Parents must understand that children aren't mentally equipped to handle cyber bullying, mental health issues (such as anxiety and depression), addiction, harassment, social isolation and much more. They aren't responsible enough to understand the ramifications of posting their adolescent views online. Thus, we advise the parents once again to keep your kids away from such social media platforms. The evidence of our resolve on this matter is the fact that many of our boys and girls have made it to national and provincial games in different sports. This spirit of sportsmanship is embedded in all our alumni, who are serving the nation with their professional skills, at home and abroad. One of such former students is Shafiq Afridi who is amongst us today, as the guest of honour.

Mr. Shafiq Afridi is the CEO of Toyota Khyber Motors and Axis Mall, Islamabad. He is well known for transforming visions into reality in the sectors of automobiles and skyscraper development. He took the responsibility of running a business empire at a very young age, but he had all the necessary skills that are required to steer such a huge ship. He did not just inherit the family business but first, he got a master's degree in business administration from Huddersfield, UK. Since then, he has been on the never-ending journey of learning and sharing his knowledge and skills. Most recently, Provincial Services Academy, Khyber Pakhtunkhwa, acknowledged his services as a trainer for Mid-Career Management Course. I'm really happy Shafiq, that you are doing well in different fields and you are surely a source of inspiration for our students. No doubt, running a business in the crisis-hit economic scenario of Pakistan is an uphill task. Not only you are surviving all the odds, but you are also turning challenges to opportunities. This is rare and is what we call success in the real sense.

Dear parents, we all dream of our children to be successful in life. In fact, parents try to do everything to help their children achieve success in whatever they are doing in life. However, only a few try to inculcate in their children the qualities that make someone successful. What are those qualities? Let me mention a few: Talent, determination, confidence, motivation, integrity and perseverance. In my opinion, perseverance is the most important of these; where one learns not to give up under any circumstances. Here at St. Francis', we teach our students to persevere, both in academics and sports. In classroom, we motivate them to pass the exams with A plus grade. We don't give first, second, third positions. Some students who struggle, get C's and D's in term exams, but with their perseverance which comes through the confidence we give them, they show noteworthy improvement in their grades. We do the same on the track and field. Of all those who run a race, only one gets the first position, but we encourage all others to finish the race, no matter how difficult it gets. Even the one who finishes last gets a clap. This is how they learn perseverance, and when they step into practical life, they never give up, no matter how hard it is to achieve their goal.

I hope you enjoy and appreciate the efforts of our young athletes who you will see in action today. I expect that you will give them the applause and appreciation which they deserve. Clap not only for the winners but also for those who persevere and finish the race. I congratulate those who will get trophies later in the day for the achievements in sports and athletics, but I am also full of praise for those who did not win the trophies, but showed perseverance and put up a good fight.

I am grateful to all of you, who took time out to be here today. I specially appreciate Shafiq Afridi, who is genuinely a busy person, but he managed to be our guest of honour. A special note of thanks to teachers and PTI's, who showed perseverance during the preparations for this mega event. Each one and every one of you deserves a clap. The students and parents must clap for all the teachers and PTI's who work hard round the year to inculcate the spirit of sportsmanship in our youth.

Take this thought home today: *Perseverance is the hard work you do after you get tired of doing the hard work you already did.*
