ST. FRANCIS' HIGH SCHOOL
HAYATABAD, PESHAWAR

PROF. AJAB DIN

Secretary, Khyber Pakhtunkhwa Textbook Board

WILL PRESIDE & DISTRIBUTE THE TROPHIES
THURSDAY, 29TH NOVEMBER 2018 AT 09:45 A.M.

ADDRESS OF THE PRINCIPAL

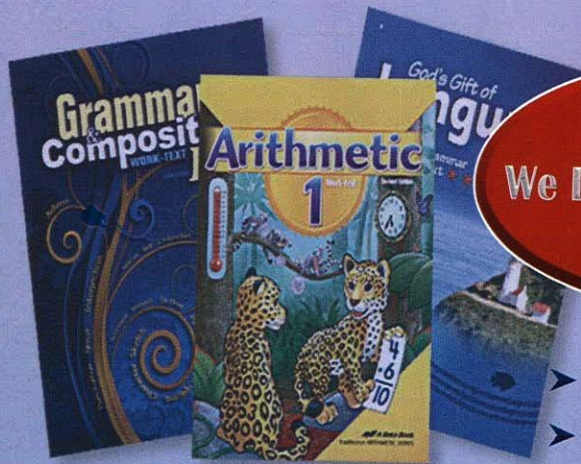

Prof. Ajab Din, Secretary Khyber Pakhtunkhwa Textbook Board, worthy members of staff and my dear students, I welcome you all to our 22nd Annual Athletic Sports Meet. I don't need to give any detailed description of the objectives and spirit behind this annual function. We all are aware of the motive for giving so much importance to sports and athletics and celebrating the success of young athletes. However, I would surely like to share the pride and satisfaction we feel for infusing the spirit of sportsmanship in thousands of our students over the last twenty five years. Another fact that I would like to highlight is that sportsmanship is not limited to track and field. It rather encompasses your whole life. No matter what career you choose, it's the spirit of sportsmanship that will take you to the pinnacles of success. This idea might sound abstract, but let me explain with an example you have in front of you.

Prof. Ajab Din has been my colleague and a friend for more than three decades. My relationship with him dates back to the prime time of his youth. During all these years, he proved himself to be a thorough gentleman and sportsman. He might not hold any medals in any sport, but he faces every challenge with a stout heart, maintains his dignity and integrity in adversity, works as a team player in his office and mentors his subordinates wholeheartedly like a good coach. He is basically a professor, but his skills, abilities and attitude has made him an asset for the education department.

Dear students, here at St. Francis', not only we help you achieve academic excellence, but we also prepare you to face the challenges of practical life. At present, you may not fully understand the value of sports and athletic activities and consider them just a means of refreshment and pastime. At present, your objective might be narrowed down to scoring points and getting your house to win the championship trophy.

SERVING THE NATION THROUGH BOOKS

Annual Inter-House Athletics Sports Meet

But, in the years to come, in the words of Rudyard Kipling,
 If you can keep your head when all about you
 Are losing theirs and blaming it on you,
 If you can fill the unforgiving minute
 With sixty seconds' worth of distance run,
 Yours is the Earth and everything that's in it,
 And—which is more—you'll be a Man, my son!

So when you look back, you will realize the worth and value of life lessons learnt on the field. You will understand the real depth of each and every word in Athletes' Promise; and you will feel proud that you possess the sportsman spirit, which will steer and guide you towards success at any stage in life.

Another important lesson that you learn here is to keep the delicate balance in all the activities you do in life. Life challenges you with multi-tasking. In practical life, you have to give time to your career, your family, your friends and relatives, your hobbies, all at the same time. You have to learn to divide your time in the most efficient manner. This is the key to success; and this is what you are learning here. We are teaching you to keep the fine balance between your studies and sports. During the last few weeks, you have toiled hard in sports and athletics, while taking your classes and learning your tests at the same time. As we conclude the sporting activities today, a new challenge awaits you all in the form of the upcoming exam. With your bodies energized and your spirits refreshed, you should be able to work hard to show your flair in academics, just the way you did in sports.

I wish to thank Prof. Ajab Din for taking time out of his hectic routine and being here with us today. I also thank all those who put in their best efforts to make this day a success.

Towards the end of the programme, the best amongst you will receive the fruit of your hard work. I will not congratulate only the winners. Rather I would congratulate each and every young athlete who took part in competitions with full zeal and played a fair game. Winning or losing is just a part of the game, not the whole game itself.

In the end, I wish to offer you a few words of advice that you should remember always:

Champions do not become champions when they win the event, but in the hours, weeks, months and years they spend preparing for it.
