ADDRESS OF THE PRINCIPAL

Engr. Sahibzada Saleem, Additional Assistant Commissioner, Hangu, respected parents, honourable faculty members and dear students, I welcome you all to our 23rd Annual Athletic Sports Meet. Most of you are already familiar with the purpose and idea behind this grand event on our school calendar. However, parents who brought their children to St. Francis' recently need to be apprised of the motive and the spirit behind the sports and athletic events and the importance of this day.

This sports meet is the pinnacle of our sporting activities that continue all round the year. We provide each and every child, of all groups, to participate in various sports and athletic events according to their natural talents and abilities. So, they get opportunities to put their natural flair into action. We let them compete in events of their choice, in fair competition, based on set rules and sportsmanship. At the climax of our field and track events, we honour their efforts and achievements with trophies. They know that each and every point they win on individual level, contributes towards the success of their house they belong to. So, in short, they learn to explore their abilities, play by the rules, accept victory and defeat and understand that their individual efforts have a positive, collective impact.

The students graduating from St. Francis' take with them these sublime streaks of characters which enable them to achieve excellence, success and honour in whichever field they choose. Sahibzada Saleem is one of our outstanding alumni who are shining brightly as successful professionals.

Engr. Sahibzada Saleem is unique in a way that he brought honour to the school as a student as well. He was 5th on the list of Top 20 students in the Matric Exam of year 2003. Later, he earned a degree in Computer System Engineering. It was good to know that he taught in two different universities before he became a PMS officer. And now he is serving as Additional Assistant Commissioner in Hangu.

I am sure this young, talented gentleman will go higher up the ladder of success and be a source of pride for his family, teachers and his alma mater. I know for sure that it was not only his academic flair but also his interest in sports and athletics that made him what he is today. I have gone seventeen years back, and I can see him batting in an inter-house cricket match, playing badminton, making brainy moves in chess and passing the baton in relay races.

So my dear parents, I am sure that you will acknowledge and appreciate what we are doing here for our children, despite our meager resources and financial constraints.

Sports and athletics in school are of lot more worth in present times than they were in past. In old days, parks and playfields were full of young people in the evening. Today, the youngsters stay in their rooms, glued to mobile phones and computer screens. So, the school ground is probably the only place where the young boys and girls can channelize their energies and learn the spirit of sportsmanship.

I appreciate the decision of those parents who chose St. Francis' because of the sports and athletic facilities, along with an excellent academic environment. You will see the result of your decision and our endeavors in coming years when your children enter the professional fields fully equipped with the skills they need to rise above the others.

And today, I wish to give all of you a piece of advice. Rather I would strongly suggest that parents should engage in some kind of sports or physical activities along with their children. Increased mental stress, hypertension, heart issues and many other illnesses are caused due to over indulgence in work and neglecting your health altogether. If you take out just an hour in the afternoon and go to a sports complex, playground or a park nearby to play any sport of your choice with your kids, you will see an amazing change in your mental and physical health.

And what is more, it will strengthen the bond between you and your children.

I am grateful to Engr. Sahibzada Saleem for being with us today. I know it was not easy for him. I am equally grateful to all the parents who realize the importance of taking time out to cherish the success of their children and their friends.

I congratulate all those who are going to lift the trophies today. And those too who did not win but played the game with a spirit of sportsmanship.

In the end I would like to give the parents a thought to take home.

"You can motivate by fear and you can motivate by reward. But those two methods are only temporary. The only lasting thing is setting a personal example."

St. Francis' High School, Peshawar.

Annual Athletic Sports Meet 2019.
