

SAINT FRANCIS' HIGH SCHOOL

Hayatabad, Peshawar .

Third Annual Academics Day

ON FRIDAY, 21ST MAY, 1999.

CHIEF GUEST

Mr. Asfandiyar Amirzeb
Minister for Education

Govt. of N.W.F.P., Peshawar,

Will Preside & Distribute the Trophies

Honourable Minister , Ladies and Gentlemen,

We are pleased to see you all present here today for our Third Annual Academics Day. With such short notice, you have all taken time off from your responsibilities and this shows the interest you all take in the Academics of your children.

We are extremely grateful to our Minister for Education for accepting our invitation and being with us today. Sir, you are an enlightened person patronizing and taking interest in good education. Our Staff and students are delighted to have you Sir because persons of your calibre are few. You are a person who would recognize merit and that is why you are trying hard to stop malpractices in examinations and improve educational affairs in the Province. The province is lucky to have you Sir as Minister for Education and we hope and pray that you will succeed in your mission.

Sir, we too have a mission to fulfill through St. Francis'. Ours is a mission of hard work, honesty, simplicity and fairness. The Members of our Staff are dutiful and regular in their attendance. Last academic year 9 out of 39 Members of the Staff achieved 100% attendance. Their simplicity helps us to train our students in humility and obedience thereby helping the home and society. The fairness of our Staff is clearly seen today through the recipients of the academic awards. Through their teachers, the students get encouraged and confident.

Confidence is a virtue that gives a feeling of certainty and boldness to a person. If not carefully guided, overconfidence may creep in and that is one of the reasons we meet the parents five times a year in the form of parent /teacher/pupil meetings.

Dear parents, without your cooperation, teachers alone cannot bring up your children in studies due to the changing values of the society. Our beautiful culture is being affected by the mass media, materialistic society etc. Obedience and respect to parents, teachers and elders must be revived and inculcated into our students. Once the parents, teachers and students come

to realize the importance of virtues of obedience and respect, the atmosphere of the school will change for better and the results of it can be seen in the reports, academic days and the Matric results. The time schedule I sent to you recently can also be a guide line to make your children disciplined and thereby make a happy home.

Academic days are ideal for teachers as well as students to show their talents. The Various performances that you will see today are the efforts of both teachers and children. We are thankful to the parents of the students who have generously contributed towards the expenses of some of the costumes. If all the parents volunteer to help financially this annual programme, we can make this event a great success.

You all may have seen that we have arranged also a small exhibition. The students worked hard at their exhibits. This is just a start and we shall try to improve on it year by year. We hope that finally Science and Arts exhibition will become another annual event at St. Francis'.

I am also thankful to all the members of the staff whose efforts made this function possible. These teachers have really done their best to motivate the students and polish their talent and abilities.

Dear Parents, what ever we do in St. Francis', is for the betterment of your children. With such low fees we manage to organize sports, athletics, academic events etc. every year. We are pleased to spend on children's welfare. Unfortunately in recent months we are bothered with a new tax - the **Property Tax**. We are unable to pay such taxes without increasing our school fees. We hope that the honourable Minister will consider this case of **Property Tax** levied on private schools.

Once again, we thank Mr. Asfandiyar Amirzeb for gracing this occasion with his presence. Sir, we hope that you will enjoy the time you will spend with us. Thank you all, Ladies and Gentlemen for your presence. It is an encouragement for your children as well as for us.
God bless you all.

Francis Sales Fernando
Principal.
