

SAINT FRANCIS' HIGH SCHOOL

Hayatabad, Peshawar.

Fourth Annual Academics Day

On Saturday, 13th May, 2000 At 09:30 a.m.

Chief Guest

Syed Imtiaz Hussain Gilani

Minister for Education, Information, Culture,
Sports, Tourism And Archaeology,
Govt. of N.W.F.P., Peshawar,

Will Preside & Distribute the Trophies

Honourable Minister, Ladies and Gentlemen,

We are once again gathered here today to witness another annual academics day. This is a happy occasion for prize winners to see their hard work being rewarded and the parents to know the achievements of their children being appreciated. This is also the day for the unsuccessful, to be determined to work hard.

On this happy event, we are glad to have with us as our chief guest, Our Minister for Education, **SYED IMTIAZ HUSSAIN GILANI**. Sir, We are extremely grateful to you for accepting our invitation and being with us today. We know that you belong to a very well known and highly respectable family of Kohat. I had the opportunity to educate some of your nephews. It is also a fact that St. Francis' High School started functioning at Arbab road in a bungalow that belonged to one of your family members.

Sir, we also know that you are a well educated and a very industrious person. Your appointment as Minister for education is a blessing for the province. We believe that you are introducing major improvements in the field of education and wants to bring about revolutionary changes in the shortest possible time. You are determined to make positive changes at the level of primary education which as we all know, is the foundation for higher education. We wish you Sir, longer stay in the department of education and God's blessings in your endeavours to improve the quality education. I am thankful to all the parents for taking out time to be here today. The time which you give to your children is an investment in their character building. It is extremely necessary for the parents to keep their children on top priority in their time schedule.

In today's world, your time has become a rare commodity and thus highly precious too, but your children deserve a share of it more than any one else. The new millennium has brought the world closer but has taken families apart. So if we want to keep our culture and traditions alive and if we want our children to excel in character, academics and career, we will have to spare time for our children and families.

Sir, today, I want to make use of this opportunity to specify our motives once again. Here at St. Francis', We believe in achievement of academic excellence through hardwork and fairness. We strongly believe the divine word as mentioned in the Holy Books that, "Man will achieve only as much as he strives,"

We ensure that hardwork is fairly rewarded. At the same time, we are trying our best to curb the element of unfair means in the examinations. We have a transparent examination policy for our internal exams and we advocate the same for the board exams. We do not want to become commercialized and to adopt any unfair means to get top positions in the board.

I might sound too outspoken but I must make myself very clear regarding matric examinations. We do not train our students to use unfair means, nor shall we support such malpractices at our examination centre. We aim at making our students good citizens and good human beings. We shall never plan on achieving academic excellence at the cost of social and moral values.

We don't claim to be the only one, but we pride ourselves in being one of the very few schools which haven't compromised on principles and values to achieve commercial motives. We don't want to give our students a uni-directional approach for getting 700 plus marks; We rather want to groom their personalities in various dimensions. We are proud of excellent results shown by our students and we endeavour to make it better in future.

I think, now its up to the parents to decide whether to let your children enter the world through the back door, or to face the challenges of the world with conviction and courage.

I thank the members of the staff who made this academic day possible and especially those who ran an extra mile. Once again, we thank the honourable Minister for gracing this occasion with his presence. Sir, we hope that you will enjoy the time you spend with us.

Thank you Ladies & Gentlemen for your presence. It is an encouragement for your children as well as for us.

God Bless You All.

Francis Sales Fernando.
Principal.
