11:25	Prizes for Competitions and Distribution of Trophies.
11:35	Address of the Chief Guest.
11:45	Skits
12:00	National Anthem.

## Honourable Chief Guest, Ladies and Gentlemen

Ten years ago, we laid the foundation of St. Francis' High School in a rented bungalow at Arab Road. Our journey started with 13 teachers and 7 students. Today, it has been a decade since we took the first step towards the realization of our vision and now we have a staff of over 50 and students to fill all the existing classrooms. The first decade of this journey has been a test of our talents, motivation, endurance and forbearance. Thanks be to God Almighty, we are successful and today St. Francis' has a credibility in private education sector in the NWFP, the proof of which is the presence of such a large number of students and hundreds of parents. All this required a lot of perseverance. Besides encouragement, we also faced criticism, both healthy and unhealthy but those who put in their trust in us and showed clemency, can see that today six of our students have scored above 700 marks in Matric Exam, with one of them bagging fifth position among boys in the whole Peshawar Board. Our 2003 batch of class 10 was the first batch in which most of the students had been with us since our founding. I hope that all Francisians are going to build a promising career on the firm foundation that we architected during their stay with us.

My hopes are strengthened when I see my old students excelling in various fields of life. One of such examples is Mr. Obaid-ur-Rehman, Project Director, Iqra University, who is amongst us as the Guest of Honour today. He pioneered a higher education institute, which is the first of its kind in the whole country. Established as a trust, Mr. Obaid's Iqra University has five campuses all over Pakistan. Besides providing internationally recognized education at a very reasonable cost, Mr. Obaid is also carrying out various welfare activities. I can't recall any other example of a 100 million rupees spent on charity, welfare and development in merely two and a half years. Mr. Obaid regularly provides evening meals to those poor labourers who sleep on the center media on Jamrud Road. We have all seen the avenues in University Town developed and maintained by Iqra University and

soon we hope to see Iqra Sports Complex in Hayatabad. Mr. Obaid is a veritable patriot. He has many more plans for our Province and for the Country. May God Almighty give him wisdom to utilize his wealth and energy in the right direction. I am sure that his patriotism will thrive and his fervour escalate day by day. Mr Obaid has lofty regard for his elders and teachers, so I feel to proffer a few words of advice. As you move among the higher echelons of the society, remember a verse from Rudyard Kipling.

"If you can talk with crowds and keep your virtue,  
Or walk with king nor lose the common touch."

Hopefully, we are going to be a witness to more of your achievements in future.

All these achievements need strong dedication, motivation and tolerance. Here at St. Francis' we are also trying to provide all the necessary facilities to our students. I am sure you find a positive change in the school each time you visit after a trimester. Along with appreciation, sometimes we face criticism from certain parents when we make changes in policies and fee structure etc. Let me tell you, it is done only when it is unavoidable. When the government announces a raise in the salaries, the members of my staff, both teaching faculty and associate staff, are sure to get the benefit. I value them the most any try to get them every possible monetary benefit, as and when announced by the government. Therefore, in near future, we shall raise the tuition fee by a meagre amount but stay assured that this raise is only to benefit those who are the architects of your children's career and builders of the nation.

I thank you all for putting your trust in us for the last ten years. Our journey towards excellence continues with the same motivation, dedication and faith that we had on 7th September, 1993. I take this opportunity to thank the members of teaching faculty who have put in their best efforts over the last ten years. I am grateful to all of you who took time out today to be here with us. It is a great encouragement for us and your children. My special gratitude to Mr. Obaid-ur-Rehman who managed to put this function on his hectic and busy schedule. God bless you all.
