

17th

ANNUAL ACADEMICS DAY 2013

HAYATABAD, PESHAWAR

On Saturday, 28th September, 2013

Dr. Mohammad Zahid Jadoon

Deputy Dean

Pakistan Institute of Community Ophthalmology

Will Preside & Distribute the Trophies.

The Principal's Address

Dr. Mohammad Zahid Jadoon, Deputy Dean, Pakistan Institute of Community Ophthalmology, distinguished guests, respected parents and my dear teachers & students, this year, we are celebrating the 20th successful year of St. Francis'. I am grateful to God Almighty who helped us each day and held our hand at every step in the last 20 years. I also wish to thank all those parents, who have cooperated with us in many ways during all these years. I particularly appreciate those who took time out today to witness their children receiving the honours for their academic achievements. Above all I express my heartfelt gratitude to Dr. Zahid Jadoon, who, in spite of his numerous commitments, made himself available today. Not only that I feel delighted to see my former students rising to the apex of professional career, but it also gives me encouragement and energy, to carry on with my endeavours of transforming the youth of this region into responsible citizens and virtuous human beings.

Ladies and gentlemen, almost 40 years ago, I came to this country with a vision-the vision of imparting quality education to the youth of this region, the vision of inculcating human values which transcend the religious and regional boundaries. Today, when I look back in time, I feel proud of all those students of mine, who turned out to be the realization of my vision, my dream. And when I look at my students of today, I feel encouraged to keep working with the same zeal in future.

ST. FRANCIS' HIGH SCHOOL HAYATABAD, PESHAWAR

St. Francis' High School is also my dream come true, vision realized. By the grace of God Almighty, we have completed 20 years of our successful existence. This journey of two decades was not an easy one. We had to face and fight several obstacles. In my family, my faculty and I myself believe in honesty and integrity. So we never compromised on the principles of morality and ethics to overcome all the hurdles with a clear conscience and morality. Over these twenty years, we have developed a firm faith in ethical and moral values. Our experiences of these two decades have proved that no matter what goes on in the world around us, honesty and integrity are always honoured and appreciated at the end of the day. Today, we stand tall among others, with a reputation for discipline, a conducive environment, fair examination system and untainted results, both in home tests and board exams. Our students have started making waves to the top positions in BISE, without any dishonest practices in the exam hall. In a recent meeting with the Chairman, BISE, who strongly supported his proposal for installing cameras in the examination halls to ensure transparency in the examination system. We pledge to continue with the same vision of achieving academic excellence while maintaining moral principles and human values.

ST. FRANCIS' HIGH SCHOOL HAYATABAD, PESHAWAR

Dear parents, success in matric exam or getting admission in professional colleges should not be the sole aim for the parents and students. Education is much more than this. It is about transforming the children into such human beings as God wants them to be. God Almighty, Allah Taala, is the same, and One and Only for all of us. Here, in St. Francis' we teach our students, to follow the teachings of their religion in order to become a source of benefit to the whole mankind. Thus, year after year, we have groomed such students who feel a sense of responsibility towards the whole mankind. One of such examples is sitting among you, who has been my student at St. Mary's High School.

Dr. Mohammed Zahid Jadoon is a health professional of international repute. At present he is serving as the Deputy Dean at Pakistan Institute of Community Ophthalmology in Peshawar. He is a visiting faculty member of many colleges and universities in Pakistan. Moreover, he is Research Consultant, to Brien Holden Vision Institute, South Africa. He holds a degree in Epidemiology from University of London. His research papers have been published in various journals all over the world. However, his greatest contribution is towards prevention of blindness. His current research is focused at our region, but he has conducted surveys in this field all over world including Iraq, Afghanistan, Yemen, Sudan, Egypt, Qatar, Syria, Jordan and Saudi Arabia. What I appreciate the most is that he is imparting knowledge to the future

ST. FRANCIS' HIGH SCHOOL HAYATABAD, PESHAWAR

doctors. In spite of his commitment to research, and travelling from one continent to another for this purpose, he still teaches at Pakistan Institute of Community Ophthalmology. Dr. Zahid, I really feel proud to have a student like you and I pray that may you be a source of inspiration for many others like yourself.

Ladies and gentlemen, It is not easy to rise to such a climax in a profession. It needs a lot of hard work and passion to serve humanity. I request you all to join hands with us in teaching your children the human values for serving all mankind, beyond all barriers.

I congratulate those students who are going to receive trophies and certificates for their academic achievements in the last academic year. Once again, I am thankful to all of you, especially Dr. Zahid, for celebrating the success of our students. I also appreciate the untiring efforts of the staff members who worked hard to make this day a success.

A thought to take home:

Every single time you help somebody stand up, you are helping humanity rise.
