

# 21st Annual Inter - House Athletic Sports Meet 2017

Thursday, 23rd November, 2017  
at 10:00 a.m.

## ST. FRANCIS' HIGH SCHOOL

HAYATABAD, PESHAWAR.

**MR. MANZAR KHAN**  
DIRECTOR SPORTS

Board of Intermediate & Secondary Education  
Peshawar.

**Will Preside & Distribute the Trophies**

## ADDRESS OF THE PRINCIPAL

Mr. Manzar Khan, Director Sports, BISE Peshawar, respected parents and guests, worthy faculty members and my dear students, it is my pleasure to welcome you all to our 21<sup>st</sup> Annual Athletic Sports Meet. The sports and athletic activities at St. Francis' are not just a pastime of leisure. We conduct them in a very organized manner, so as to inculcate the true spirit of sportsmanship and fair play among our students of all ages, without the discrimination of gender. Today, we are gathered here to celebrate the success of our young players and athletes who participated in various sports and athletic events.

Present among us today, is a nationally acclaimed athlete, who has won several medals in various athletic events at national level, has trained a large number of young athletes, and now, he is managing the sporting activities among schools and colleges as Director Sports in BISE, Peshawar. Mr. Manzar Khan is a professional athlete. He had been unbeaten champion of Peshawar University from 1992 to 1995 in different track events. He also set a new record in 4 x 1600 m relay. He has won many titles in the inter-university athletics during his student life. He won gold in 800 m at university level and he is ranked fifth in 800 m all over Pakistan. He also won gold medals in Sindh games and Sarhad games. His whole career is marked with continuous effort, hard work and professionalism. It is a pleasure to know that such an accomplished and proficient athlete later became a coach and trained hundreds of young athletes. One of the athletes he trained is with us as our athletic coach who is putting in admirable efforts to train our students in different track and field events. Manzar Khan, you must be feeling proud and satisfied, that the athletes you mentored are sharing your spirit with the next generation, and I am sure that this process will go on and on.

Ladies and gentlemen, earlier on as the Principal of St. Mary's and now as the Principal, St. Francis' High School, I have always tried to ensure that my students get the best possible opportunities for sports and athletics. I make sure that they spend ample time on the sports field so that they are groomed to be thorough ladies and gentlemen in their future. As a teacher in the class as well as a coach on the field, I feel proud to see my pupils developing into responsible citizens and splendid human beings. But for the last several years, I have been worrying a lot about the impact of modern technology on our new generation. It perturbs me a lot to see our young boys and girls drowned in the abyss of modern-day gadgets. Most of our young generation has become addicted to smart phones and social media. They spend most of their time in a virtual world, away from reality. Children of today choose to stay aloof from their families and surf through the wonderland of internet. Back in time, while visiting a house, children used to greet the host first. Today, the first thing they ask is the wi-fi password. The parents seem to be oblivious of the disaster their children are heading for. In fact they seem to be too busy to take their children to a playground, or go cycling or jogging with them. And as I see it, it's a compromise and escape on part of parents too.

However, dear parents, we refuse to compromise on this. We make sure that all our students, boys and girls, of all age groups, get all the possible opportunities to come on the field, develop the spirit of sportsmanship and get equipped to face the challenges of the real world. Today, you will see our athletes in action, distribution of trophies and the jubilation of the winners, but most of you can't imagine how much effort, time and money is spent on these activities that are conducted all the year round. We also keep trying to add to the already available facilities. For instance, this year, we have introduced hurdle race and archery, and we have made arrangements to start javelin and discus throw in the next year.

We are running regular classes for karate and archery after school hours and I would encourage all of you to get your children join these coaching sessions. Yes, it does involve some effort, a bit of your time and little amount of money, but the grooming and development of the children is priceless. I also expect that you appreciate our efforts in this direction and acknowledge the role of St. Francis' High School in the wholesome and multi-dimensional grooming of your children.

In the end, I would like to thank Mr. Manzar Khan once again. I know he is very busy these days conducting inter-school tournaments in BISE gymnasium under his own supervision, but he still took time out to be with us and appreciate our efforts. I also thank all the parents who joined us today to celebrate the success of our young athletes. I also extend a note of gratitude to all the teachers and students who worked hard to make this sports meet a success.

Here's is a very simple but deep and meaningful thought for you to take home: *Cell phones bring you closer to the person far away from you. But they take you far away from the person sitting next to you.*
