

16TH

ANNUAL ACADEMICS DAY 2011-12

SAINT FRANCIS' HIGH SCHOOL

HAYATABAD, PESHAWAR

On Thursday, 27th September, 2012

CHIEF GUEST

Mian Maaz Gul

Branch Manager Sales,
Haier Pakistan, Pvt. Ltd.

Will Preside & Distribute the Trophies

The Principal's Address

Mian Maaz Gul, Branch Manager Sales, Haier Pakistan Pvt. Ltd, distinguished guests, respected parents, dear faculty members and students; I welcome you all on this significant occasion of 16th Annual Academics Day. I also invite you to join me in expressing gratitude to God Almighty, whose unseen but mighty hand makes it possible for us to carry out all the academic and co curricular activities all the year round, each year, year after year. What you'll see in the next three hours is the outcome of relentless efforts of our students and teachers. Each trophy awarded today has a history of year long perseverance and hard work. Each skit or tableau presented on the stage today is a product of persistent efforts and weeks of practice by our students under the direction of our teachers.

Ladies and Gentlemen, from a broader perspective, St. Francis' High School of today is also a result of two decades of perseverance blended with integrity. By the grace of God, we are now into the twentieth year of our existence. Over all these years, my staff and I have struggled against all odds to maintain the standards of excellence on the foundations of integrity. We have evolved into an institution, which is known for preservation of principles and values. While safeguarding the ideals we believe in, we have achieved an admirable academic standard, in our home exams as well as matric exams of BISE, Peshawar. While

many other prominent schools surrendered the ethical values to shine in the gazette with top positions, we held firm to our faith in morality and never bent under the pressure of getting top positions in the board exam. Though some parents disagreed with us, but most of them understood the value of integrity and they have realized the importance of honest effort and genuine result. We will continue following the right path, with an unyielding faith, that God Almighty blesses honest efforts. Our efforts have already started bearing fruit. This year, out of seventeen girls appearing in matric exam, fifteen achieved an A+, while two of them got A grade. We are working steadily towards an aim that all our students should achieve A+ in BISE exams. If the examination system is transparent, I am sure that our students will also find a place on the roll of honour. But I reaffirm that we will never let it happen at the cost of our values and principles.

Today, I take this opportunity to thank those parents who understand the worth of these values and they appreciate our honest efforts. At the same time, I pray for those, who still believe in short cuts and back doors. I am hopeful, that a time will come when all of them will start believing in perseverance and integrity, and that is when our examination system, and for that matter, our whole society will turn transparent.

I have been serving the noble cause of education in this land for more than 38 years. Before the establishment of St. Francis' High School, I strived to uphold these principles of morality as the Principal of St. Mary's High School. My struggle has been successful in the form of my students who are serving the state and the people on various key posts in government and professional sectors. They are fortified with the golden principles of integrity, honesty and faith in earnest efforts.

Mian Maaz Gul, Branch Manager Sales, Haier Pakistan Pvt. Ltd, our guest of honour today, is also one of my former students who has established himself as a thorough professional at quite a young age. After specializing in marketing from IMS, University of Peshawar, he joined a multinational company. Since his induction, he has been receiving different awards and recognitions for making landmark progress in the sales department. In a short span of few years, his hard work and sincere efforts made the growth rate rise from mere 40% to a highly commendable 82%. In the honour of his valuable contribution for Haier Pakistan Ltd, the CEO awarded him the Best Performance Award. Maaz, I am sure that you'll keep the flags high and I pray for your continuing success in your field. And when you speak to our students and their parents later, I hope you tell them

about the values and ethics you learnt in school and how they guided you in your career.

Towards the end, I wish to extend my heartfelt gratitude to all of you who made themselves available to cherish the success of your children and to appreciate our efforts. I also want to inform the teachers and the students that their efforts for the success of these functions never go unnoticed. I thank all those who arranged, organized and performed. I am especially grateful to Mian Maaz Gul, for responding positively to our invitation and for being with us today.

Take this thought home today:

There are seven things that destroy a nation: Wealth without work; Pleasure without conscience; Knowledge without character; Religion without sacrifice; Politics without principles; Science without humanity; Business without ethics.
